

Sweet dreams

A stunning bedhead lends an impressive touch to a bedroom, especially when teamed with beautiful bedding. This custom-made Herriot bedhead is available from Laura Ashley, price on application.

The dark side ▶

A striking black chandelier makes a superb centrepiece – and a great conversation starter – above the dining table. This Charlotte chandelier is decorated with black crystals and is available in three, five and nine light models from Mercator Lighting.

Make it personal

Inspired by the opulence of Italian designer Versace, this beautiful apartment blends rich colours and chic furniture for a glamorous look.

◀ *Black beauty*

A beautifully upholstered armchair is the epitome of elegance and this Dijon chair from The Grand Villa Furnishings is just right for the task.

UDGET BUY

▶ *Italian inspiration*

With its solid ash design and brass hardware, this Tuscan Villa buffet has a wonderful Mediterranean feel. Including two doors and two drawers with guardian cloth silverware inserts, it's \$5595 from Coco Republic.

◀ *All tied up*

Tasselled tiebacks such as these from Chateau La Belle provide the perfect finishing touch to elegant curtains.

Deep purple ▶

Cushions and throws in lush berry hues bring warmth and style to a bed. Try this Morocco Stark cushion in violet and Rugbar Bark knitted throw rug in violet, both from Rapee.
